

LAMP TO OUR FEET

A 9-MONTH JOURNEY THROUGH THE BIBLE

This fall we are launching a new sermon series and Bible reading plan that will walk our church family through the Scriptures. Whether you're focusing on the daily New Testament portion or tackling the entire Bible, we trust this will help to grow your relationship with God. We also invite you to join us at the church once a month to drink some coffee and chat about what we're learning together (The Good Book Gathering).

The Bible Project is a nonprofit, crowdfunded organization that makes free resources like videos, podcasts, articles, and classes to help people experience the Bible in a way that is approachable and transformative. They do this by showcasing the literary art of the Scriptures and tracing key biblical themes from Genesis to Revelation.

We highly recommend visiting bibleproject.com and watching the video introductions to each book of the Bible as you make your way through our reading adventure. They're not very long, are extremely well done, and will help you understand the unique nature and context of each letter.
